Barcelona

Frontend Web Developer | (Former UX / Technical Copywriter)

EDUCATION

Treehouse Techdegree
Remote

Frontend Web Development Techdegree July 2022 - Current

I am currently enrolled in an online bootcamp-like course, learning to build interactive, responsive, and user-friendly websites and web apps with HTML, CSS, and JavaScript.

EXPERIENCE

Chessable
Barcelona /
Remote

Technical Chess Editor February 2022 - July 2022

Technical chess editor for Chessable, a leading online chess e-learning platform. I edited and converted course content created with top-level players into Chessable's proprietary learning software.

Media Interactiva
Sevilla /
Remote

Technical Content Editor November 2020 - December 2021

Technical content editor for the Media Interactiva Group, collaborating with subject matter experts from different fields to create recognized IT certification tests and learning materials for vendors including Microsoft, AWS, Cisco, CompTIA, and Pearson VUE.

NPAW
Barcelona

Copywriter January 2020 - November 2020

Lead marketing copywriter at NPAW —a global streaming video analytics software company— handling content needs from technical product documentation, industry benchmark reports, sales collaterals, white papers, case studies, to live webinars.

Spaceboost
Barcelona

Content Manager March 2018 - January 2020

Content manager at Spaceboost —a Google Ads automation SaaS— building a brand identity from scratch, creating inbound marketing materials, and providing company-wide content support (UX/UI, SEO, video storyboarding).

Freelance
London /
Barcelona

Editor, Journalist, Translator June 2016 - March 2018

While working as the deputy editor at Perdiz Magazine, I worked with clients like Delayed Gratification, Querida Studio, Ateknea Solutions, Advertising Week, Soho House, Arrels Fundacio, La Caixa, N by Norwegian,, Courier Media, and Put A Egg On It.

MORE EDUCATION

City University
London

Master's Degree – Magazine Journalism 2015 - 2016

Media law, news and feature writing, sub-editing, video/audio editing, magazine production, SEO, shorthand.

University of Bristol
Bristol

B.A. (Hons) 2.1 - French & Spanish 2010 - 2014

Translation and language skills, social, political, literature, and historical studies.

SKILLS

Skillset and Languages

Beyond my content creation and technical writing skillset, I have experience with HTML, CSS, JS, Bootstrap, Sass, Figma, Jira, and GitHub. I am now learning React and an MERN stack with the University of Helsinki Full Stack Open program, I also speak (in decreasing order of fluency) English, Spanish, French, Catalan, and German.
